

Tony Bove | Writing Samples

tony@tonybove.com • tonybove.com

Developers: Android and Angular (Google)

- › I wrote Angular framework [developer documentation](#) such as [Localizing your app](#).
- › Google: [Android Development Fundamentals](#) and [Advanced Android Development](#): I wrote the content and sample Java apps with XML layouts for many of the chapters from scratch, including the following:
 - Concept Chapter: [Locales](#)
 - Practical: [Using the locale to format information](#)
 - Concept Chapter: [Custom views](#)
 - Practical: [Creating a custom view from a View subclass](#)
 - Practical: [Creating a custom view from scratch](#)
- › Google Codelab: [Use ConstraintLayout to design your Android views](#). This was my first in the Codelab format. I wrote all content and created animated GIFs and XML/Java examples from scratch.

Developers: Tutorials and Guides

- › Author: *iPad Application Development For Dummies* [Chapter 7 and 8 \(PDF\)](#). Wiley “Dummies” book format. I wrote iPad apps in Objective-C as samples.
- › Producer and author: [Non-Programmers Guide To Building iOS Apps](#) (DVD/video). I wrote the script from scratch, and self-produced the video, for Infinite Skills/O’Reilly, including apps written in Objective-C.
- › Deem: Self-directed training for site deployment (admin.deem.com). I designed and managed the wiki.
- › Deem: [User Profile Web Service Guide \(PDF version\)](#). I designed and managed the wiki, and designed the PDF format.

Marketing: Thought Leadership

- › Check Point: [Zero-Day Protection: Block Unknown Threats, Humans are Your Weakest Link](#)
- › Armis: [Agentless Device Security for Retail Environments](#)
- › Deem: Chauffeur Driven Magazine: [“Syndicated Commerce and the New Mobile Concierge”](#)
- › PivotLink: [“Intelligence at the Speed of Business” \(PDF\)](#)
- › McAfee: [“Safely Unlock the Potential of Virtualization” \(PDF\)](#)
- › BEA: Dell Power Magazine: [“Building a Flexible Foundation for E-Business” \(PDF\)](#)

Marketing: Product Positioning and Lead Generation

- › SumTotal Systems: [“BDO Case Study: Integrating Learning with Performance” \(PDF\)](#)
- › Adobe: [“Adobe Form Server for IBM” \(PDF\)](#), [“Intelligent Document Platform and IBM WebSphere” \(PDF\)](#)
- › BEA: [“Innovating with Dynamic Business Applications” \(PDF\)](#)

Administrators: Training Guides and Release Notes

- › Deem: [Setting Up Groupware Integration \(PDF version\)](#)
- › Deem: Self-directed training (admin.deem.com)
- › Deem: All product [release notes](#)

Users: Help, Videos, Books, App

- › Author: *iPod and iTunes for Dummies* (10 editions, Top 50) [Chapter 1 \(PDF\)](#)
- › Developer and author: [Tony's Tips for iPhone Users](#) (iPhone app/MediaWiki)
- › Deem: Help for all software-as-a-service (SaaS) offerings: help.deem.com
- › Deem: Multilingual help for [Travel](#) and [Expense](#) services ([PDF excerpt](#))
- › Deem: [Travel App videos](#), “[Deem Affiliate Connect Using a Browser](#)” (video)
- › Producer and author: [Rockument music history blog and podcast](#)
- › Producer and author: [Haight-Ashbury in the Sixties](#) CD-ROM and video
